Invitation for Tender

RIVER CLEANING WORKS along the CANE RIVER, ST. ANDREW, JAMAICA

The Government of Jamaica intends to carry out Channel Maintenance (clean/de-silt) Activities in the Channel of the Cane River in St. Andrew, Jamaica by having private entities doing the silt removal and owning the material that is won. The entity offering the GOJ the highest price for the material to be won will be given the opportunity to execute the maintenance exercise.

The NWA now invites eligible entities to submit bids to provide the services required for The River Channel Maintenance Activities.

The works include the use of heavy equipment to remove the material from the channel in order to maintain channel capacity. Subsequent disposal of the material will be according to the conditions of a quarry license to be obtained by the successful bidder.

Eligibility: Individuals or entities participation in the procurement shall be in possession of a valid TCC or TRN at the time of submission.
